CERTIFICATE NUMBER	24-2489161-PDA
EFFECTIVE DATE	23-Feb-2024
EXPIRY DATE	22-Feb-2029
ABS TECHNICAL OFFICE	Houston ESD - Offshore Equipment

CERTIFICATE OF

Product Design Assessment

This is to certify that a representative of this Bureau did, at the request of

MAN ENERGY SOLUTIONS SE

located at

C/O MAN ES OBERHAUSEN, POSTFACH 10 21 33, , AUGSBURG, Germany, 86011

assess design plans and data for the below listed product. This assessment is a representation by the Bureau as to the degree of compliance the design exhibits with applicable sections of the Rules. This assessment does not waive unit certification or classification procedures required by ABS Rules for products to be installed in ABS classed vessels or facilities. This certificate, by itself, does not reflect that the product is Type Approved. The scope and limitations of this assessment are detailed on the pages attached to this certificate.

Product:	**Digital Platform**
Model:	**CEON Cloud**
Endorsements:	**CyberSecurity**
Tier:	**2 - PDA Issued**

This Product Design Assessment (PDA) Certificate remains valid until 22/Feb/2029 or until the Rules and/or Standards used in the assessment are revised or until there is a design modification warranting design reassessment (whichever occurs first).

Acceptance of product is limited to the "Intended Service" details prescribed in the certificate and as per applicable Rules and Standards.

This Certificate is valid for installation of the listed product on ABS units which exist or are under contract for construction on or previous to the effective date of the ABS Rules and standards applied at the time of PDA issuance. Use of the Product for non-ABS units is subject to agreement between the manufacturer and intended client.

NOTE: This certificate evidences compliance with one or more of the Rules, Guides, standards or other criteria of ABS or a statutory, industrial or manufacturer's standards. It is issued solely for the use of ABS, its committees, its clients or other authorized entities. Any significant changes to the aforementioned product without approval from ABS will result in this certificate becoming null and void. This certificate is governed by ABS Rules 1-1-A3/5.9 Terms and Conditions of the Request for Product Type Approval and Agreement (2010)

Sensitivity: Internal & Restricted

Tier: 2 - PDA Issued

Product: **Digital Platform**
Model: **CEON Cloud**
Endorsements: **CyberSecurity**

Intended Service:
Marine and Offshore Applications - Digital Services.

Description:
MAN CEON intelligently collects and evaluates operating and sensor data, and enables the real-time monitoring of marine or power-plant engines, turbines and compressors. The digital platform integrates data and information from MAN machinery and its operational environment, and uses intelligent analysis tools for evaluation and forecasting.

Rating:
NA

Service Restriction:
Unit Certification is not required for this product. If the manufacturer or purchaser request an ABS Certificate for compliance with a specification or standard, the specification or standard, including inspection standards and tolerances, must be clearly defined.

Comments:
The Manufacturer has provided a declaration about the control of, or the lack of Asbestos in this product.
