Valid Until: 21-Nov-2027
Reissued:

CERTIFICATE
of Registration

Information Security Management System
ISO/IEC 27001:2022

This is to certify that:

MAN Energy Solutions
Stadtbachstraße 1
Augsburg, Bavaria, 86153
Germany

Holds Certificate No: ISMS-4181-01
and operates an Information Security Management system that complies with the requirements of ISO/IEC27001:2022 for the following scope.

The scope of the ISMS is limited to the processes and services that support the MAN CEON platform and the people, processes and technology that support the platform. The key business processes in scope include secure software development, platform operations/monitoring, cloud technology stack and related managed services.
